Ishwar ashram
13th June 1989

my dearest shree chaudra shekhara,

I was in reciept of your loving & devoted letter of 3rd April 1989. I had noted the contents thereiu; but many ups & downes took place I was 100 percent unable to write, as I was almost dead.

Now I feel slightly better to write to you word by word the meaning of aghora mantra :—

{Aghorebyo tha ghorebyo ghoraghora-taribyshcha
Sarvatah Sharva Sarvebyo namaste
Rudra-RoopeByah}

Before writing its meaning I have to note down to you that this mantra is connected with the Three great energies :— {अघोर शक्तिः - घोर शक्तिः - & - घोरतरी शक्तिः} aghora shaktis, ghora shaktis and ghoratari shaktis. which are named Respectively = (Parā, Parāparā & Aparā Shaktis.)

These 3 classes of shaktis are owned by (Aghora Natha VIZ Swachhanda Natha) At the same time you should note that these energies are (anantā) numberless.

(अघोराः शक्तयः) = [Aghora Energies]

↓

where darkness or ignorance is altogether Vanished are named [Aghora Energies]

(Functioning of these Energies)

↓

when these aghora Energies penetrate an Individual, no matter if that Individual is yogi or ordinary worldly person, → At the very moment of even slightest touch of Aghora-energies, is born a new Being there & then; he becomes one with God-conciousness — is no less than [Swachhanda Natha] → This is called [Teevrā Shakti Pātā] = Supermost grace

((You should publish it & spread this massage all every the world))
